Dear Recrutier,

Thankyou for the opportunity After reviewing your job description, its clear that you 're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job skillfully and perform expectations.

I am an efficient professional who has been consistently praised as diligent by my co-workers and management. Over the course of one year career I developed a skill set directly relevant to the slot role you are hiring. I also Worked with frontend and backend developer to develop web based application. Additionally I also learned about how frontend and backend works together.

And, I have consistently demonstrated communication and interpersonal abilities and I invite you to review the attached resume.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization.

Please contact me at +91805902993 or via email at [saurabhshukla3107@gmail.com](mailto:saurabhshukla3107@gmail.com) to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Saurabh Shukla
